INCIDENT STATEMENT

Statement of Daniel Vasquez

On 2026-08-28, at about 12:35, I was driving my 2009 Chevrolet Tahoe on 2859 Park Avenue, Akron, OH. The road was dry. I was carrying some boxes to a friend's shop and he said he might give me gas money, I am not sure if that counts as work. I lost traction on a patch of gravel and the front of my vehicle struck a large tree. No one was hurt and I did not call the police. The main damage is to the front bumper cover, fender, radiator support. I took the car to Summit Collision and they estimated the repair at $8,260.00.
