INCIDENT STATEMENT

Statement of Brian Fischer

On 2026-05-07, at about 6:35, I was driving my 2014 Mercedes ML350 on 6212 Washington Street, Evansville, IN. Traffic was light. I had turned off the paved road onto a dirt trail through a field to take a shortcut. I swerved to avoid a deer and the right side of my vehicle scraped a utility pole. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the rocker panel, rear door panel, side mirror. I took the car to Summit Collision and they estimated the repair at $4,470.00.
