INCIDENT STATEMENT

Statement of Fatima Gupta

On 04/19/2026, at about 20:35, I was driving my 2017 Accura TL on 1117 River Road, Toledo, OH. The weather was clear and dry. I had one drink with dinner a few hours earlier and I felt fine, but the officer asked me a few questions about it. The vehicle ahead stopped suddenly and the front of my car hit its rear bumper. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the front bumper cover, fender. I took the car to Heartland Repair Group and they estimated the repair at $6,670.00.
