INCIDENT STATEMENT

Statement of Andre Ibrahim

On February 5, 2026, at about 19:35, I was driving my 2020 BMW M5 on 7035 Sunset Drive, Toledo, OH. It was dusk and visibility was reduced. The panels had been rusting and cracking from age for years, and I finally decided to put in a claim for all of the deterioration. I swerved to avoid a deer and the right side of my vehicle scraped a retaining wall. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the rocker panel, door glass, front door panel. I took the car to Eagle Body & Paint and they estimated the repair at $7,400.00.
