INCIDENT STATEMENT

Statement of Grace Thompson

On June 18, 2026, at about 18:35, I was driving my 2017 Ford F150 on 1879 River Road, Fort Wayne, IN. The road was dry. My nephew was driving that day, and I knew his license had been suspended since the spring. While reversing out of a parking area, the rear of my vehicle struck a steel pole. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the quarter panel, rear body panel, trunk lid. I took the car to Heartland Repair Group and they estimated the repair at $8,530.00.
