# INCIDENT STATEMENT

Statement of Hannah Underwood

On 07/06/2026, at about 13:20, I was driving my 2016 BMW M5 on 9495 Cedar Road, Akron, OH. The road was dry. My car has a turbo kit and an exhaust that I installed myself and never reported to the insurer. While reversing out of a parking area, the rear of my vehicle struck a steel pole. No one was hurt and I did not call the police. The main damage is to the trunk lid, rear body panel, quarter panel. I took the car to Eagle Body & Paint and they estimated the repair at $6,910.00.
