Statement of Robert Dawson

On September 26, 2026, at about 19:50, I was driving my 2017 Accura RSX on 5132 Oak Avenue, Rockford, IL. The road was dry. I swerved to avoid a deer and the left side of my vehicle scraped a guardrail. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the rear door panel, front door panel. I took the car to Summit Collision and they estimated the repair at $7,540.00.
