INCIDENT STATEMENT

Statement of Patrick Egan

On 2026-08-04, at about 9:05, I was driving my 2010 Honda CRV on 1505 Oak Avenue, Evansville, IN. It was dusk and visibility was reduced. I had renewed my driver's license the previous month and it was valid. While reversing out of a parking area, the rear of my vehicle struck a concrete bollard. No one was hurt and I did not call the police. The main damage is to the rear reinforcement bar, tail lamp assembly, rear body panel. I took the car to Summit Collision and they estimated the repair at $7,710.00.
