INCIDENT STATEMENT

Statement of Omar Brennan

On 2026-09-17, at about 19:05, I was driving my 2020 Toyota Corolla on 5417 Mill Road, Columbus, OH. The road was dry. My car has a turbo kit and an exhaust that I installed myself and never reported to the insurer. While reversing out of a parking area, the rear of my vehicle struck a concrete bollard. No one was hurt and I did not call the police. The main damage is to the quarter panel, tail lamp assembly, rear body panel. I took the car to Midwest Collision Center and they estimated the repair at $7,110.00.
