Statement of Yuki Underwood

On 2026-06-24, at about 6:20, I was driving my 2010 Nissan Maxima on 9619 Church Street, Columbus, OH. Traffic was light. I lost traction on a patch of gravel and the front of my vehicle struck a utility pole. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the headlamp assembly, radiator support, front grille. I took the car to Heartland Repair Group and they estimated the repair at $19,470.00.
