Statement of Fatima Zimmerman

On 02/02/2026, at about 14:20, I was driving my 2013 Mercedes ML350 on 4002 Mill Road, Evansville, IN. It was dusk and visibility was reduced. While reversing out of a parking area, the rear of my vehicle struck a fence post. No one was hurt and I did not call the police. The main damage is to the quarter panel, rear body panel. I took the car to Summit Collision and they estimated the repair at $11,000.00.
