INCIDENT STATEMENT

Statement of Tariq Schmidt

On 2026-05-31, at about 14:35, I was driving my 2018 Ford F150 on 1639 Cedar Road, Bloomington, IN. It was dusk and visibility was reduced. My car has a turbo kit and an exhaust that I installed myself and never reported to the insurer. While reversing out of a parking area, the rear of my vehicle struck a steel pole. No one was hurt and I did not call the police. The main damage is to the rear body panel, rear bumper cover. I took the car to Midwest Collision Center and they estimated the repair at $8,630.00.
