Statement of Andre Walker

On September 10, 2026, at about 9:05, I was driving my 2015 Saab 95 on 8545 Mill Road, Bloomington, IN. The weather was clear and dry. I lost traction on a patch of gravel and the front of my vehicle struck a guardrail. No one was hurt and I did not call the police. The main damage is to the radiator support, headlamp assembly. I took the car to Precision Auto Body and they estimated the repair at $6,700.00.
