INCIDENT STATEMENT

Statement of Hannah Schmidt

On 03/07/2026, at about 6:05, I was driving my 2015 Chevrolet Malibu on 6087 Park Avenue, Dayton, OH. The weather was clear and dry. I lost traction on a patch of gravel and the front of my vehicle struck a large tree. No one was hurt and I did not call the police. The main damage is to the headlamp assembly, front bumper cover, fender. I took the car to Summit Collision and they estimated the repair at $7,800.00.
