INCIDENT STATEMENT

Statement of Omar Zimmerman

On August 26, 2026, at about 21:35, I was driving my 2009 Accura MDX on 5618 Mill Road, Akron, OH. Traffic was light. I lost traction on a patch of gravel and the front of my vehicle struck a large tree. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the fender, radiator support, headlamp assembly. I took the car to Heartland Repair Group and they estimated the repair at $20,640.00.
