INCIDENT STATEMENT

Statement of James Underwood

On 08/19/2026, at about 17:05, I was driving my 2022 Saab 92x on 6323 Highland Avenue, Columbus, OH. It was dusk and visibility was reduced. It was raining heavily and the road surface was slick. I swerved to avoid a deer and the left side of my vehicle scraped a guardrail. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the rear door panel, front door panel, rocker panel. I took the car to Midwest Collision Center and they estimated the repair at $6,340.00.
