Statement of Aisha Mitchell

On January 24, 2026, at about 9:20, I was driving my 2009 Mercedes E400 on 3136 Cedar Road, Springfield, IL. Traffic was light. I lost traction on a patch of gravel and the front of my vehicle struck a utility pole. I called the police and an officer attended and filed a report. No one was injured. The main damage is to the fender, headlamp assembly. I took the car to Precision Auto Body and they estimated the repair at $9,280.00.
