INCIDENT STATEMENT

Statement of Aisha Chen

On 2026-09-05, at about 19:35, I was driving my 2024 Honda Civic on 9028 Maple Street, Toledo, OH. The weather was clear and dry. Another car was driving fast near me and I may have sped up a little, though I am not sure whether you would call that racing. I lost traction on a patch of gravel and the front of my vehicle struck a retaining wall. No one was hurt and I did not call the police. The main damage is to the radiator support, hood panel, front grille. I took the car to Precision Auto Body and they estimated the repair at $9,440.00.
