INCIDENT STATEMENT

Statement of Samuel Hayes

On September 14, 2026, at about 16:20, I was driving my 2016 Honda Accord on 6443 Church Street, Toledo, OH. It was dusk and visibility was reduced. I lost traction on a patch of gravel and the front of my vehicle struck a large tree. No one was hurt and I did not call the police. The main damage is to the fender, headlamp assembly, radiator support. I took the car to Summit Collision and they estimated the repair at $15,040.00.
