INCIDENT STATEMENT

Statement of Emily Jensen

On May 10, 2026, at about 18:35, I was driving my 2022 Nissan Ultima on 1277 River Road, Columbus, OH. It was dusk and visibility was reduced. I swerved to avoid a deer and the right side of my vehicle scraped a large tree. No one was hurt and I did not call the police. The main damage is to the door glass, rocker panel. I took the car to Eagle Body & Paint and they estimated the repair at $7,440.00.
