INCIDENT STATEMENT

Statement of Marcus Gupta

On 2026-03-05, at about 6:35, I was driving my 2010 Audi A5 on 9289 Maple Street, Peoria, IL. The weather was clear and dry. I lost traction on a patch of gravel and the front of my vehicle struck a retaining wall. No one was hurt and I did not call the police. The main damage is to the headlamp assembly, radiator support, fender. I took the car to Summit Collision and they estimated the repair at $8,830.00.
